

OCEAN  
NO BEACH ACCESS

**Nalu Kai Lodge Parking Directions**  
Parking is a challenge in Paia. Lodge guests must follow parking rules. Place your parking pass (Lodge business card & room number) on the driver's side of your car's dashboard. If you cannot park properly or another car does not park properly and blocks you, find another place to park. Please direct questions to 808-385-4344 or ask the Lodge caretaker. Vehicles not parked properly will be towed at owner's expense. Mahalo.

Please try to not use our neighbors driveways for turn-arounds. Please use Lodge parking spots for turn-arounds, or whatever you find that is safest.

Pull as far as you can forward. Must PARK FULLY INSIDE YELLOW LINES (or neighbors will complain). If you cannot park properly or another car does not park properly and blocks you, find another place to park.
